

# AOD – AB109 Referral Code Effective Immediately

## Purpose

This bulletin provides California Outcomes Measurement System-Treatment (CalOMS Tx) protocols, effective for admissions submitted on or after October 1, 2011, for reporting certain referrals to the Department of Alcohol and Drugs Programs (ADP). Specifically, this bulletin identifies proper Source of Referral code to use for those clients entering the system as a result of the realignment of Criminal Justice and Rehabilitation programs from the State to the counties is detailed in Assembly Bill 109 (AB 109).

## Discussion

All clients being admitted for treatment as a result of the realignment of Criminal Justice and Rehabilitation programs should be given the Source of Referral code “22 – AB 109 Post Release Community Supervision”. Effective October 1, 2011, the Source of Referral code “22 – AB 109 Post Release Community Supervision” replaces Source of Referral code “22 – SACPA /Prop 36 Parole” code which is no longer required. The AOD INSYST Episode Opening form has been updated to reflect this change.

**NOTE: ONLY Legal Status Code “4” Post Release Community Service AB109 or On Parole from any federal, state or legal jurisdiction can be used with Referral Code 22.**
