

Effective clinical care addresses the entirety of the person (mind and body), their background and culture, and their social context, and their individual and community experience.

Join us for our workshop African American Mental Health Training and Technical Assistance Program (AATA)

Date: FRIDAY FEBRUARY 22nd, 2019

Time: 9:00am - 1:00pm

**Executive Inn & Suites Hotel
1755 Embarcadero Oakland, CA**

Register today to secure your seat!

Light lunch and beverages will be provided

Our 2018-2019 Trainers

Roberta V. Sanders,
BSN, LMSW

Lester Love,
MD

Shadi Doroudgar,
Pharm.D., Aph, BCPS, BCGP, BCPP

Josepha Campinha-Bacote,
PhD, MAR, PMHCNS-BC, CTN-A, FAAN

The first half-day session will describe the African-American population in Alameda County and our current behavioral health provider network. This workshop will cover issues related to cultural competency and health equity for African-American behavioral health clients.

Join us and learn more about our core objections and goals for our upcoming sessions.
