

***Licensed Mental Health Services Provider Education  
Loan Repayment Program (LMH)  
2019-20 Application Cycle***

The Health Professions Education Foundation (HPEF) will host an application cycle from **August 1, 2019 – October 8, 2019**, for the [Licensed Mental Health Services Provider Education Program \(LMH\)](#).

If you are a health professional working in an underserved area of Alameda County, have outstanding educational debt, and meet other important application criteria related to cultural and linguistic competency, you may be eligible to apply. Please carefully review the eligibility guidelines for the program to which you are interested in applying.

Eligible sites include Publicly Funded or Public Mental Health Facilities, Non-Profit Mental Health Facilities that contract with a county entity to provide mental health services, and/or designated mental health professions shortage areas. An awardee may receive up to \$15,000 to repay educational loans for up to a 24-month commitment practicing and providing direct client care in an eligible site. Applicants can be awarded up to three (3) times.

**Eligible professions for the LMH program include:**

Associate Marriage and Family Therapist	Associate Clinical Social Worker
Registered or Licensed Marriage and Family Therapist	Registered or Licensed Clinical Social Worker
Associate Professional Clinical Counselor	Licensed Professional Clinical Counselor
Registered or Licensed Psychologist	Postdoctoral Psychological Assistant
Postdoctoral Psychological Trainee	

**To apply, go to: <https://eapp.oshpd.ca.gov/funding/>**

**(log-in required, DEADLINE: October 8, 2019)**

The HPEF team will host technical assistance calls to provide opportunities for applicants to ask questions pertaining to their applications. Please plan to join these calls if you have questions.
