

# ACBH presents a FREE CME Program

## Medication-Assisted Treatment: Fundamentals of MAT for Physicians

**DATE: Tuesday, November 17, 2020**

**TIME: 10:00am - 11:30am**

Please log in 15 minutes early in case you need to troubleshoot; Training starts promptly at 10:00am

**LOCATION: Zoom Video Webinar** (link will be provided at a later time closer to actual date)

**Audience:** All prescribers of HCSA/ACBH and contracted CBO staff are invited and highly encouraged to attend.

**Trainer(s): Matthew Gardiner, MD - Consulting Psychiatrist, ACBH SUD Services**

**Description:** This training will review MAT fundamentals including the definition of and rationale for MAT, neurobiological effects of substance abuse, the disorders commonly treated with MAT, and the advantages and disadvantages of the various medication options for MAT.

**Learning Objectives** – After this training, participants will be able to:

- 1) Define MAT and explain the rationale for its use.
- 2) Explain the difference between addiction and physical drug dependence.
- 3) Describe five brain changes that result from chronic substance abuse.
- 4) Identify three substance use disorders treated with MAT and list the most common medication options used in each of these disorders.
