SUBJECT: **Embarcadero Shuttle Expanded Hours**

The Embarcadero Shuttle provides free shuttle service to and from Lake Merritt BART for both 1900 and 2000 Embarcadero. Effective April 1, 2020, the shuttle hours will be expanded to offer shuttle services from 6:50 am to 7:30 pm on all County business days.

The shuttle schedules are located at <http://www.acgov.org/sustain/what/transportation/sp.htm>.

The Embarcadero Shuttle has been providing services during “commute hours” for several years. The expanded schedule will be posted in the afternoon of March 31 and be effective 6:50 am on April 1st.

The shuttle is a service provided by ACBH in partnership with General Services Agency Sustainability and it welcomes all riders.

Please help us promote the shuttle by informing your County partners, visitors to ACBH Headquarters at Embarcadero and our Provider community.

This notice will be posted on our ACBH webpage, <http://achcsa.org/behavioral-health/>, as well as the Provider’s webpage, <http://www.acbhcs.org/providers/Main/Index.htm>.

Enjoy the shuttle! It’s a calm and relaxing way to commute, saves you money on your personal vehicle and parking, and helps the environment.
