ABOUT THE COURSE:

The goal of this presentation is to describe Seeking Safety, an evidence-based treatment for trauma and/or substance abuse. We will cover (a) background on trauma and substance abuse (rates, presentation, models and stages of treatment, clinical challenges); and (b) implementation of Seeking Safety (overview, evidence base, demonstration of the model, adaptation to various populations (e.g., adolescents, individuals with serious and persistent mental illness, veterans), frequently asked questions, fidelity monitoring and clinician training). Assessment tools and community resources are also described. By the end of the training, participants can implement Seeking Safety in their setting. Learning methods include powerpoint, video, exercises, and discussion.

ABOUT THE PRESENTER:

Joni Utley, PsyD has provided Seeking Safety training and consultation with Treatment Innovations throughout the U.S. since 2012. She has presented in diverse settings, including community mental health centers, addiction programs, jail-diversion programs, medical hospitals, and academic settings. She is currently a clinical psychologist and leads the PTSD Specialty Clinic at the Gulf Coast VA Medical Center. She completed a 2-year post-doctoral fellowship at VA Boston Healthcare System from 2011-2013 under Lisa Najavits' supervision, where she specialized in treating PTSD/SUD and held an academic appointment at Boston University School of Medicine. Dr. Utley earned her doctoral degree in Clinical Psychology from Regent University in Virginia Beach, VA. She is also a military veteran.
