CULTIVATING "KA"-NNECTIONS

The "ka" character in Philippine script, invokes the ideas of connection and our relations to each other resembling two bodies of water connected by a bridge.

In honor of Filipino American History Month in October, please join us for a training to learn about the culture, values, and history of Filipinx American communities. Staff from Filipino Advocates for Justice will also share about their wellness and prevention services.

Monday, October 18
10-11:30 AM via Zoom
