

Presents A Brown Bag Series on:

**NETWORK ADEQUACY CERTIFICATION TOOL – TIMELY ACCESS
CLIENT SERVICE INFORMATION ASSESSMENT RECORD
DATA SUBMISSION**

This Virtual Brown Bag Series is a collaboration between Alameda County Behavioral Health (ACBH) Information Systems, Quality Assurance (QA), and Quality Improvement Departments.

The Federal and State Network Adequacy Certification Tool (NACT) requires ACBH to submit Client Service Information (CSI) Timeliness data to the Department of Health Care Services (DHCS). ACBH is offering this Brown Bag series to assist and support providers in collecting CSI timeliness data.

AUDIENCE: This Brown Bag is for all ACBH County Clinics and Programs & Mental Health Contracted Agencies. It is recommended to have a least one (1) QA Clinical staff member attend as well as one (1) Administrative staff member attend.

THIS BROWN BAG SERIES WILL COVER:

- What is needed to collect CSI timeliness data in compliance with the Network Adequacy Standards for Timely Access of Outpatient Mental Health Services
- How to read the ShareFile reports
- How to enter the data into the e-forms
- Data fields definitions
- Tracking requirements for new clients

ACBH staff will be available to answer your questions.
