

ACBHD Specialty Mental Health Services (SMHS) Scope of Practice Guidelines - Revised May 17, 2024

Regardless of the information provided in this document, all clinical activities must be within the ability, training, and experience of the individual providing the service.

SERVICE ACTIVITY	LICENSED MENTAL HEALTH PROFESSIONALS (LMHPs)*					
	MENTAL HEALTH		PHYSICIAN/NP/CNS	REGISTERED NURSES	OTHER NURSE/PT	OCCUPATIONAL THERAPISTS
¹ Does not have the scope of practice to complete a SMHS assessment but may contribute to it by gathering information (e.g., med. history, MH history, SUD info., strengths, risks, and additional clarifying info.). LMHPs working within their scope of practice may use this information in their analysis of beneficiary functioning.	<u>Licensed</u>	<u>Registered & Waivered</u>	<u>Physicians</u>	• Registered Nurse (RN)	• Licensed Vocational Nurse (LVN)	• Licensed Occupational Therapist (OT)
² Requires Praed Foundation CANS Certification prior to completing CANS. Staff must have adequate knowledge and clinical understanding of the beneficiary to comprehensively complete all CANS domains.	• PhD-Licensed	• PhD-Waivered	• Medical Doctor (MD)	All medical services provided by non-licensed practitioners, such as RNs, must be under the direct supervision of a licensed practitioner.	• Psych Tech (PT)	
³ May perform some or all aspects of psych/dev testing depending on discipline.	• PsyD-Licensed	• PsyD-Waivered	• Doctor of Osteopathy (DO)	Additionally, RNs require supervision for medication dispensing.	All medical services provided by non-licensed practitioners, such as LVNs and PTs, must be under the direct supervision of a licensed practitioner.	
⁴ LCSWs, LMFTs, LPCCs, LVNs, may not perform any psych/dev testing activities.	• LCSW	• AMFT	• Post-Graduate Physician Resident (PTL)	Co-signatures recommended.		
⁵ May complete a SMHS assessment but may not diagnose a MH disorder.	• LMFT	• ASW	PTLs must follow supervision requirements per the Medical Board of California.			
⁶ Requires licensed LMHP co-signature	• LPCC/LPCC-F	• APCC	<u>Other Medical Providers</u>			
Assessment	Registered/Waivered LMHPs must be supervised by licensed practitioners per their applicable licensing board (e.g., BBS , CA BoP).		• Nurse Practitioner (NP)			
CANS	Co-signatures recommended, as deemed appropriate by their licensed supervisor.		• Advanced Practice Psychiatric Nurses (APN)			
Developmental Testing			• Nurse Practitioner Furnishing (NPF)			
DSM Diagnosis			• Psychiatric Mental Health Nurse Practitioner (PMHNP)			
Medication Administration (H0033)			• Clinical Nurse Specialist (CNS)			
Medication Administration (Injection)			All medical services provided by NPs/CNS must be under the supervision of a licensed medical professional and operate under a formal medication management protocol / formulary with psychiatric supervision per their credential.			
Medication Dispensing						
Medication Prescribing						
Medication Support						
Mental Status Exam (MSE)						
MH Crisis Services (H2011)						
Plan Development						
Psychotherapy (Ind/Fam/Grp/Crisis)						
Psychological Testing						
Rehab (Ind/Group)						
TCM/ICC/IHBS						
Therapeutic Behavioral Services (H2019)						
Students/Clinical Trainees	Student/Clinical Trainees are allowed for any of the above designations for individuals actively enrolled in a corresponding educational program. Generally, scope of practice standards for clinical trainees are equivalent to the credential/license they are pursuing (e.g., a MSW student can perform similar functions as an ASW/LCSW). All clinical trainees must be supervised by a licensed (not registered or waived) behavioral health professional. See applicable licensing board for additional oversight and supervision requirements (e.g., CA BBS , CA Board of Psychology , CA , CA Board of Nursing). Co-signatures on clinical documentation are required for all clinical trainee activities. First year mental health graduate students DO NOT have the scope of practice to diagnose and may not establish a diagnosis, even with a co-signature.					

* Mental Health Treatment Services are provided by, or under the direction of LMHPs, within the scope of their professional license and applicable state law. Evidence of supervision and licensed clinical direction for appropriate staff must be present and available, when requested.

ACBHD Specialty Mental Health Services (SMHS) Scope of Practice Guidelines - Revised May 17, 2024

Regardless of the information provided in this document, all clinical activities must be within the ability, training, and experience of the individual providing the service.
