Stepping

Into

Tomorrow

Come and join us in supporting  
our youth as they Step Into Tomorrow.  
Each tomorrow brings a new opportunity  
for a better today.

*The annual JJC Resource Fair is a collaboration between the Alameda County Probation Department, Behavioral Health Care Services, Health Care Services Agency, Alameda County Office of Education, and the Public Health Department. The purpose of the JJC Resource Fair is to expose youth to the variety of services available to them in the community with the goal of connecting them to people who are able to support them along the way.*
