We believe in a strong and united Alameda County where immigrants are welcome. Immigrants are a large, vital part of communities throughout Alameda County. In a time when immigration policy and rhetoric seeks to exclude and isolate immigrant communities, it is Alameda County's priority to ensure that we are a welcoming place for all residents, and that everyone, regardless of immigration status, can continue to access the services and supports they need to live and thrive. This event will highlight these important messages and the connections between the current climate around immigration and community health that are highlighted in the Alameda County Public Health Department's recently released [Immigration and Public Health Issue Brief](#) (*copies will be available at the event*).

Presenters include:

- Dr. Muntu Davis, Director & Health Officer, Alameda County Public Health Department
- Centro Legal de la Raza
- Alameda County Supervisor Wilma Chan (District 3)
- Alameda County Supervisor Richard Valle (District 2)
- Melissa Jones, Executive Director, Bay Area Regional Health Inequities Initiative (BARHII)

Press inquiries can be directed to Sherri Willis, Public Information Officer with the Alameda County Public Health Department at (510) 267-8001 or sherri.willis@acgov.org.

For other event inquiries, contact Jennifer Lucky at Jennifer.Lucky@acgov.org or 510-268-4290.

*Please note Parking at Fruitvale Village is extremely limited. There is not a designated parking lot for visitors to the Senior Center. There is 1-hour parking available on Fruitvale Ave and Foothill Blvd, and some limited street parking in the residential neighborhoods. **We encourage taking BART to the Fruitvale station, just a short walk to the San Antonio Senior Center!**
