

Day Treatment Intensive/ Day Rehab Documentation Workshop

Hosted by ACBHCS Quality Assurance Office

We invite all Day Treatment Programs, of contracted adult and children providers, to participate in this workshop geared to reinforce DR/DTI providers' ability to document client services and progress in accordance with CA Department of Health Care Services (DHCS) requirements and avoid compliance problems.

- Participants will review the key components to the therapeutic milieu
- Participants will discuss ways to verify beneficiaries' participation in services
- Participants will learn to strengthen their ability to write progress notes for compliance and reimbursement
