# Our Mission

Our mission is to provide services that are client-centered, focusing on individual needs and concerns in the context of each clients' lives outside the treatment setting. Clients' autonomy and choices are always maximized. Treatment is strength-based; recovery oriented and incorporates the available client and community resources.

# Pathways to Wellness (PTW) History

Hiawatha Harris, M.D., Inc. (HHI) was founded in 1977

PTW was founded in 2000 by Hiawatha Harris, M.D. and Neisha Becton, M.A. to provide Outpatient Medication Support Services

Contracted with ACBHCS to provide services to individuals with moderate to severe mental health impairments

# About Pathways to Wellness (PTW)

PTW provides a vital link in the spectrum of services

Staffed by:

- Board Certified Psychiatrists
- Psychiatric Nurse Practitioners
- Physician Assistants
- Clinical Pharmacists
- Psychiatric Nurses
- Licensed Clinicians
- Other Professional Mental Health Staff

# Our Core Services

Psychiatric Evaluation/Assessment

Medication Management/Support Services

Pathways to Wellness is not a full service program

# Outpatient Medication Support Services Level 3

Pathways to Wellness Level 3 offers Medication Support Services for children, adolescents and adults with *moderate to severe* impairments. Our clinics are located throughout Alameda County.

We are contracted with BHCS to provide the following services:

- Psychiatric Evaluation/Assessment
- Medication Support Services
- Brokerage/Linkage
- Brief Therapy Services
- All referrals must come through ACCESS (800) 491-
