I. STATEMENT OF WORK

A. INTENT

The intent of this Request for Pre-Qualification (RFPQ) is to identify qualified bidders interested in providing eating disorder (ED) treatment services through a pool of contractors. Alameda County Behavioral Health Care Services (hereafter referred to as ACBH or County) will identify and refer clients as having eating disorders and not successfully managing their symptoms through outpatient treatment with existing ACBH outpatient providers, or needing a higher level of care outside of ACBH.

ACBH intends to award Services as Needed (SAN) contracts to all Bidders who meet the Bidder Qualification Criteria (see Section I.C. below), for one or more of the following programs:

- Residential treatment,
- Partial Hospitalization Program (PHP),
- Partial Hospitalization Program (PHP) with transitional housing, and
- Intensive Outpatient Program (IOP).

Bidders must be located within 150 miles of Alameda County for Residential programs, and 100 miles for PHP and IOP to be considered for the pool of contractors.

Qualification of vendors will be performed by County staff who have expertise or experience in the areas of such services. These staff will evaluate and verify bidder responses and recommend vendors for inclusion in the pool of contractors. The person administering this process shall notify vendors of the qualification outcome. Only qualified and approved vendors will have the opportunity to provide the services requested by ACBH.

ACBH may open the RFPQ annually to allow Bidders to become qualified on a regular basis. The County does not guarantee any minimum or maximum dollar amount or any awarded scope of services under this contract. ACBH does not discriminate against particular Bidders that serve high-risk populations or specialize in conditions that require costly treatment.¹

ACBH reserves the right to end a contract if/ when the awarded Contractor materially alters staff, deliverables, and outcomes any time after the contract award. The County is not obligated to award any contracts as a result of this RFPQ process. The County may, but is not obligated to, renew any awarded contract. Any renewal of an awarded contract shall be contingent on the availability of funds, awarded Contractor's performance, and continued prioritization of the activities and priority populations as defined and determined by ACBH.

¹ To comply with 42 CFR § 438.214 as a Prepaid Inpatient Health Plan (PIHP).

B. BACKGROUND/SCOPE

As defined in the Diagnostic and Statistical Manual of Mental Disorders (DSM-5), EDs include Anorexia Nervosa, Bulimia Nervosa, Binge Eating Disorder, and Avoidant/Restrictive Food Intake Disorder. At least 30 million people of all ages, gender identification, sexual orientation, and race/ethnicities suffer from an ED in the United States. Common risk factors faced by people with EDs include: social isolation, family conflict/instability, depression, anxiety, low self-esteem, insomnia, self-harm, suicidal ideation, rapid weight loss, and long term medical and dental problems that can lead to medical complications and possibly death. Anorexia Nervosa has the highest mortality rate of any mental illness.

As a Mental Health Plan, ACBH seeks to expand its pool of ED service providers to be able to offer a variety of treatment models to clients. Clients who present with EDs are often resistant to treatment, and a single treatment model may not be the most appropriate or effective for each client. When clients participate in a treatment program that best meet their needs and presentation, this can prevent repeated cycling through services. By expanding the number of ACBH contractors to provide higher level of care for ED treatment services through the establishment of a pool of contractors, ACBH clients will have more options for appropriate treatment, based on each client's need.

The awarded Contractors shall offer one or more of the following modalities:

- Residential treatment for youth and for adults (24-hour programs);²
- PHPs (a minimum of six hours of treatment per day and are available five to seven days per week)
- PHPs with transitional housing; and
- IOPs (a minimum of three hours of treatment per day and are available three to six days per week).

The priority population for these services is individuals suffering from the signs and symptoms of EDs.

The program model shall utilize Evidence Based Practices (EBPs) for treating EDs and shall offer individual therapy, group therapy, and family therapy as part of the treatment. All programs shall offer monitoring by a licensed dietician and medication support with a licensed prescriber/psychiatrist. PHP and Residential programs shall have access to medical staff. Providers must be willing to work with third-party primary care providers and other medical staff, in addition to ACBH in the discharge planning.

² Bidders must have a valid California Department of Social Services (CDSS) Community Care Group Home License to be considered for a Residential program contract.

C. BIDDER QUALIFICATION CRITERIA

Bidder qualification criteria include the following:

1. Bidder must have at least one year of experience providing services to the priority population.

II. INSTRUCTIONS TO BIDDERS

2. The undersigned declares that he/she is authorized, offers, and agrees to furnish the articles and/or services specified in accordance with the RFPQ's specifications, terms & conditions.
3. The undersigned has reviewed the proposal documents and fully understands the requirements in this proposal including, but not limited to, the requirements under the County Provisions, and that each Bidder who is awarded a contract shall be, in fact, a prime contractor, not a subcontractor, to the County, and agrees that its proposal, if accepted by County, will be the basis for the Bidder to enter into a contract with County in accordance with the intent of the proposal.
4. The undersigned also agrees to follow the Bid Protests / Appeals Process.

Alameda County prides itself on the establishment of fair and competitive contracting procedures and the commitment made to follow those procedures. The following is provided in the event that Bidders wish to protest the proposal process or the recommendation to award a contract for these programs once the Notices of Intent to Award/Non-Award have been issued.

The following describes two separate processes: Bid Protests and Appeals. Bid Protests submitted prior to issuance of the Notices of Intent to Award/Non-Award shall not be accepted by the County.

Bid Protests from any Bidder related to this RFPQ must be submitted in writing to the ACBH Director located at 2000 Embarcadero Cove, Suite 400, Oakland, CA 94606 Fax: 510.567.8180, before 5:00 p.m. of the **fifth (5th)** business day **following the date of issuance of the Notice of Intent to Award/Non-Award, not the date it is received by the Bidder**. Any Bid Protest received after 5:00 p.m. shall be considered received as of the next business day.

- The Bid Protest must contain a complete statement of the reasons and facts for the protest.
- The Bid Protest shall refer to the specific portions of documents that form the basis for the protest.
- The Bid Protest shall include the name, address, email address, fax number and telephone number of the person representing the protesting party.
- ACBH shall transmit a copy of the Bid Protest to all Bidders as soon as possible after receipt of the protest.

Upon receipt of written Bid Protest, the ACBH Director, or designee shall review and evaluate the protest and issue a written decision. The ACBH Director, may, at his or her discretion, investigate the protest, obtain additional information, provide an opportunity to settle the

protest by mutual agreement, and/or schedule a meeting(s) with the protesting Bidder and others (as determined appropriate by the ACBH Director) to discuss the Bid Protest. The decision on the proposal protest shall be issued at least ten (10) business days prior to the date the Board is considering the recommendation and award of contract.

The decision on the Bid Protest shall be communicated by e-mail, fax, or US Postal Service mail, and shall inform the Bidder whether or not the recommendation to the Board of Supervisors as stated in the Notice of Intent to Award is going to change. A copy of the decision shall be furnished to all Bidders affected by the decision. As used in this paragraph, a Bidder is affected by the decision on a Bid Protest if a decision on the Bid Protest could have resulted in the Bidder not being the recommended successful Bidder on the RFPQ.

The decision of the ACBH Director on the Bid Protest may be appealed to the Auditor-Controller's Office of Contract Compliance & Reporting (OCCR) located at 1221 Oak St., Rm. 249, Oakland, CA 94612, Fax: 510.272.6502 unless the OCCR determines that it has a conflict of interest in which case an alternate will be identified to hear the appeal and all steps to be taken by OCCR will be performed by the alternate. The Bidder whose proposal is the subject of the Bid Protest, all Bidders affected by the ACBH Director's decision on the Bid Protest, and the protesting Bidder have the right to appeal if not satisfied with the ACBH Director's Bid Protest decision. **All Appeals to the Auditor-Controller's OCCR shall be in writing and submitted within five (5) business days following the issuance of the decision by the ACBH Director, not the date received by the Bidder.** Appeals received after 5:00 p.m. is considered received as of the next business day.

- The Appeal shall specify the Bid Protest decision being appealed and all the facts and circumstances relied upon in support of the Appeal.
- In reviewing Appeals, the OCCR shall not re-judge the proposals. The appeal to the OCCR shall be limited to review of the procurement process to determine if the contracting department materially erred in following the RFPQ or, where appropriate, County contracting policies or other laws and regulations.
- The Appeal to the OCCR also shall be limited to the grounds raised in the original Bid Protest and the decision by the ACBH Director. As such, a Bidder is prohibited from stating new grounds for a Bid Protest in its Appeal. The Auditor-Controller (OCCR) shall only review the materials and conclusions reached by the GSA-Office of Acquisition Policy or department designee, and will determine whether to uphold or overturn the protest decision.
- The Auditor's Office may overturn the results of a bid process for ethical violations by Procurement staff, County Selection Committee members, subject matter experts, or any other County staff managing or participating in the competitive bid process, regardless of timing or the contents of a bid protest.
- The decision of the Auditor-Controller's OCCR is the final step of the Appeal process. A copy of the decision of the Auditor-Controller's OCCR shall be furnished to the protestor, the Bidder whose proposal is the subject of the Bid protest, and all Bidders affected by the decision.

The County shall complete the Bid Protest/Appeal procedures set forth in this before a recommendation to award the contract is considered by the Board of Supervisors.

The procedures and time limits set forth in this section are mandatory and are each Bidder's sole and exclusive remedy in the event of Bid Protest. A Bidder's failure to timely complete both the Bid Protest and Appeal procedures shall be deemed a failure to exhaust administrative remedies. Failure to exhaust administrative remedies, or failure to comply otherwise with these procedures, shall constitute a waiver of any right to further pursue the Bid Protest, including filing a Government Code Claim or legal proceedings.

D. SLEB PARTNERING INFORMATION SHEET

**SMALL LOCAL EMERGING BUSINESS (SLEB)
PARTNERING INFORMATION SHEET**

In order to meet the Small Local Emerging Business (SLEB) requirements of this RFPQ, all bidders must complete this form as required below. Bidders not meeting the [definition of a SLEB \(http://acgov.org/auditor/sleb/overview.htm\)](http://acgov.org/auditor/sleb/overview.htm) are required to subcontract with a SLEB for at least 20% of the total estimated bid amount in order to be considered for contract award. SLEB subcontractors must be independently owned and operated from the prime Contractor with no employees of either entity working for the other. This form must be submitted for each business that bidders will work with, as evidence of a firm contractual commitment to meeting the SLEB participation goal. (Copy this form as needed.)

Bidders are encouraged to form a partnership with a SLEB that can participate directly with this contract. One of the benefits of the partnership will be economic, but this partnership will also assist the SLEB to grow and build the capacity to eventually bid as a prime on their own.
