

## **OA-SMR Onboarding Delay – 7.28.2015**

Greetings,

We are now testing interfaces between InSyst, Clinician's Gateway, Praed Foundation's CANS Collaborative Training website and the OA-SMR (Objective Arts) system using live data. To ensure that these processes are fully functional, the Alameda County OA-SMR Project Team has limited the number of users to just one organization (Fred Finch Youth Center) to Pilot Test the system. Consequently, we will need to adjust the dates outlined in OA-SMR Onboarding Plan accordingly.

Thank you for patience and cooperation.

**Alexander Jackson, LCSW**  
**Director, Special Projects**
