

## **Alameda County Proposition 47 Local Advisory Committee Community Representative Application**

The Alameda County Proposition 47 Local Advisory Committee (LAC) seeks formerly incarcerated and/or “systems-impacted”<sup>1</sup> individuals to serve as Community Representatives on the Committee.

### **Proposition 47 Grant Overview**

In June 2017, the California Board of State and Community Corrections awarded Alameda County a \$6 million grant to provide criminal justice system-involved individuals with mental health services, substance use disorder treatment, and housing assistance resources. In 2019, Alameda County received a second \$6 million grant. Alameda County is now receiving a third \$6 million grant to continue providing these services and to create a diversion program for the next three years, from September 2022 until June 2026.

### **Local Advisory Committee Overview**

The LAC was originally formed in January 2017 to advise the development of the project proposal. The LAC now meets on a quarterly basis to advise the ongoing implementation of the County Programs.

The LAC consists of representatives from public agencies that participate in the Community Corrections Partnership<sup>2</sup> and up to five Community Representatives who are formerly incarcerated and/or systems-impacted, who also reflect the diversity and culture of the community.

### **Local Advisory Committee Member Responsibilities**

LAC members are required to attend quarterly evening meetings (usually held at 1111 Jackson Street, Oakland; currently virtual due to COVID-19). The next meeting is scheduled for 5:30-7:00 p.m. on **April 24, 2023**. Member terms expire at the end of the third grant on June 1st, 2026.

### **Selection Process and Timeline**

There are up to five vacancies for Community Representative. The current LAC members will review applications from all qualified parties and vote for their preferred candidate(s) in a closed session meeting in January, 2023.
