SUBJECT: Retirement of Yvonne Jones, Forensic, Diversion, & Re-Entry Services
Director Assistant Director

Colleagues,

After 26 years with ACBH, Yvonne Jones, Assistant Director for the Forensic System of Care, has decided to retire.

Yvonne is a passionate advocate for our justice-involved clients and has dedicated 34 years of her professional career to forensic mental health. During her tenure with ACBH, Yvonne has helped support many important programs including the Adult Forensic Behavioral Health program, the Conditional Release Program (CONREP), and more recently our outpatient forensic services. Yvonne's last day with the county is October 14, 2022.

I am deeply grateful to Yvonne for her leadership and commitment to our community. While this is a loss for our system and our department, it is an exciting new stage for Yvonne.

Please join me in thanking Yvonne for her years of service and congratulating her on a well-deserved retirement!
