JULIUS JACKSON

DESIGN LOVE AND LIFE IN 5 SHIFTS

TOPIC

Topic: Design Love and Life in 5 Shifts – Create a GPS for your life in 2 Hours

The webinar emphasizes the importance of activating loving experiences, short-circuiting negative experiences, and understanding one's true power in love. The three I's (Immediate, Inspired, Intelligent) are presented as keys to unlock divine action and create a life of fulfillment and purpose.

Objectives

- How life and relationships get hijacked and how to realign even your most out-of-control moments in less than 30 seconds without any effort (The Emo Factory)
- How to end any war with someone and restore peace in 1 action
- You will know how to activate loving experiences at will with a simple hand gesture or sound. (Personification and Anchoring)
- You will know how to short-circuit negative experiences at will and replace them with desired experiences. (The Emo Factory)
- You will know your true power in love and how to wield it with half the effort
- You will know the crazy truth about love
