

Alameda County ^{ac} ^{bh} Behavioral Health Care Services

MENTAL HEALTH & SUBSTANCE USE SERVICES

Welcome, Gabriel Orozco New Business Intelligence Analyst

I am pleased to announce the appointment of a Business Intelligence Analyst to the **Data Services Team**.

Gabriel Orozco re-joined the **Data Services Team** on **December 13, 2022** and reports directly to **Dr. Lorenza Hall, Business Intelligence Manager**.

Gabriel initially joined the Data Services Team/Business Intelligence Section in October 2012. In January 2021, he was transferred to Quality Management to help advance performance management efforts, which included quality improvement projects and State monitoring and reporting requirements. Gabriel possesses expertise in report specification, PostgreSQL query writing, business intelligence report writing and dashboard development. He is also a skilled meeting facilitator as demonstrated by his role leading Quality Improvement Committees: Performance Measurement and Management; Network Adequacy and Timely Access.

Gabriel has a bachelor's degree from UCLA in International Development Studies, and a master's degree in Social Welfare Management and Planning from UC Berkeley. Gabriel is an Alameda County native having grown up in Berkeley where he attended Berkeley public schools, and then moved to Oakland following graduate school.

When Gabriel is not working, he enjoys raising his ten-year-old daughter, trail running, sports, the arts, spending time with local friends, and taking short trips.

Please join us in welcoming Gabriel back to the Data Services Team.
