MENTAL HEALTH & SUBSTANCE USE SERVICES

Welcome, Chastity Piedade, LCSW New Clinical Manager

I am pleased to announce the appointment of Chastity Piedade to the position of Behavioral Health Clinical Manager with the Oakland Adult Community Support Center. Chastity will report to Henning Schulz, Division Director Adult Case Management.

Chastity joined Oakland Community Support in 2018 as a Behavioral Health Clinician II and has been a supervisor at the clinic since 2019. Most recently, Chastity served as Oakland Community Support's Interim Manager.

Chastity earned a bachelor's degree in Metropolitan Studies from New York University before going into non-profit work with New York City Teaching Fellows. Born and raised in the Bay Area, she returned to California to complete her Master of Social Work degree at San Jose State. Chastity has experience in a variety of mental health settings, including inpatient, outpatient, and community-based treatment. She leaned into her clinical practice as a forensic mental health clinician while serving the South Bay Conditional Release Program (CONREP) for eleven years, where elevated during her tenure to the role of Assistant Community Program Director.

In her free time, Chastity enjoys swimming, live music, and cheering for her two children at gymnastics, baseball and soccer games.

Chastity brings her experience and dedication to serving our beneficiaries and improving their quality of life. Please join the Adult System of Care in welcoming Chastity in her new role within our department!
