Dear Colleagues,

I'm writing to let you know I have accepted a new opportunity in Solano County as the Deputy Director for Behavioral Health starting in July, 2023. My last day at ACBH will be Friday, June 9th.

It has been a true honor to work side by side with so many of you over the years, and to watch this organization grow with new staff and leadership. Since I started my ACBH career in 2007, in many ways I feel I grew up here, learning many of life's challenging and rewarding career lessons. Some the easy way, some the hard way. But in either case, I am deeply grateful for everything I'm taking with me, including lessons learned, relationships and a sense of resolve as this new career chapter begins.

With that, feel free to reach out and offer words of wisdom as I transition out (jokes or other silliness also welcome!) And please don't be a stranger. If ever you would like to connect, my personal email address is mullaneconsulting@gmail.com.

I wish you all the best and look forward to crossing paths in the future!

Thank you!

Jennifer Mullane
Adult/Older Adult System of Care Associate Director
