

Alameda County ^{ac} ^{bh} Behavioral Health Care Services

MENTAL HEALTH & SUBSTANCE USE SERVICES

Welcome, Renee Renteria New Program Specialist

I am pleased to announce the appointment of a Program Specialist to the Adult and Older Adult System of Care (AOASOC).

Renee Renteria joined the AOASOC on Jan 9, 2023 and will focus on our Wellness Centers, Benefits Advocacy, In-Home Outreach Teams, and assist with the subacute Utilization Management pilot.

Renee has an impressive depth and breadth of experience working at Alameda County Behavioral Health. Renee came to Alameda County Social Services in 1999 as an Eligibility Worker. In 2004, she transferred to Alameda County Behavioral Health Care (ACBH) to the Billing and Benefits Support Unit. Renee was a Health Information Technician (HIT) from 2004-2007 when she became the Supervisor for the Substitute Payee Program. In 2017, Renee was promoted to Client Benefits and Accounts Manager overseeing both the Outpatient Eligibility Unit and the Substitute Payee Program. Most recently, Renee has been involved with the new billing system transformation.

The Adult and Older Adult System of Care is excited to bring on a seasoned project manager and a billing and benefits expert to our team. Please join me in welcoming Renee to the team!
