## August 2024 Tobacco Treatment Specialist Training

LifeLong Medical Care's Tobacco Treatment Training Program is excited to offer the **Tobacco Treatment Specialist (TTS) training** in **August 2024**. This training is an excellent opportunity for staff interested in providing tobacco treatment services.

Participants will gain in-depth knowledge of **motivational interviewing, pharmacotherapy** for tobacco use disorder, and best practices for **intake, assessment, and treatment**. Successful completion of this training is one of the primary qualifications for the [National Certificate in Tobacco Treatment Practice](#).

**Attendees will participate in:**

- **Core Training Part I: a 10-hour online course**, to be completed prior to the following session
- **Core Training Part II: a 3-day course, held hybrid on August 13<sup>th</sup>, 20<sup>th</sup>, and 27<sup>th</sup>, 2024 in the San Francisco Bay Area**
- **An online exam**, to be completed after the final session

This training is directed towards and is **FREE** for staff of ACPH providers and ACBH SUD providers.

***Deadline extended to July 10, 2024***
