

2025 Tobacco Treatment Specialist (TTS) Core Training

TWO-PART TRAINING

- 10-hour online preparation course
- 3-day in-person training: **January 22** (In-Person in Berkeley), **23rd** (virtual via Zoom), and **24th** (In-Person - 837 Addison St. Berkeley, CA 94710), **2025**

This training will equip participants to:

- Understand Tobacco Use Disorder and its social determinants
- Support individuals to recover from tobacco dependence
- Understand the FDA-approved tobacco treatment medications and how to use them
- Utilize Motivational Interviewing techniques
- Tailor a Recovery Plan to the needs of each patient/client

This training is sponsored by Alameda County Behavioral Health in contract with LifeLong Medical Care's Tobacco Treatment Training Program, located at LifeLong/EBCRP; CE credit is provided by LifeLong Medical Care.

If you have any questions or need to request accommodations for disabilities, please contact tobaccotreatment@lifelongmedical.org. For grievance information, including filing a grievance or to receive a copy of the grievance policy, please contact tobaccotreatment@lifelongmedical.org.

Training is **FREE** for staff of ACPH providers and ACBH SUD providers.

**Application closes
December 1, 2024**
