

Update on Medications for Tobacco Cessation

Tuesday, May 14th, 2024, 12:00 pm – 1:00 pm PDT

Trainer: Dr. Robin Corelli, Professor of Clinical Pharmacy, Vice Dean for Academic Affairs, and Vice Chair for Professional Affairs, University of California San Francisco (UCSF) School of Pharmacy

Description: Participants will learn about the six FDA-approved medications used to treat tobacco use disorder. Attendees will learn dosing and administration best practices, including evidence-based approaches for combination pharmacotherapy, including applications for populations with underlying behavioral health conditions.

Who Should Attend: Administrative and/or clinical staff of Alameda County Public Health Department-contracted provider organizations and Alameda County Behavioral Health (ACBH)-contracted substance use treatment and mental health programs

Educational Goals: At the end of the training, participants will:

- Design a smoking cessation regimen using combination pharmacotherapy.
- Describe considerations for how to tailor smoking cessation medication regimen based on patient-specific considerations including concurrent behavioral health conditions.

Registration required, Zoom link sent upon registration • **Register [online](#)**
