Behavioral Health Clinicians I, II or Equivalent: Overtime

A message brought to you by The Forensic, Diversion, & Re-Entry System of Care

If you are looking to make a difference – please consider lending your expertise to youth who are truly feeling the impact of a variety of social, environmental, trauma, and intergenerational factors beyond their control.

Help support the mental health of youth and young adults incarcerated at the Juvenile Justice Center in San Leandro, CA.

Overtime is available with the Guidance Clinic at the Juvenile Justice Center for the classification of **Behavioral Health Clinician I or II**. Behavioral Health Clinicians who participate will **receive overtime pay for the critical support that they provide to the clients and families in need of our help through the Juvenile Justice Center.**

Overtime is available for shifts seven-days a week during the hours of 8:00am – 8:00pm.

Please Note: Overtime must be approved by your immediate supervisor and not interfere with regular job duties. Individuals must pass a background check to work overtime.

Job duties: Duties may include assessment, individual mental health services, behavioral health groups, crisis support, and consultation.
