Alameda County Health

## Welcome, Yesenia Lott, LCSW Assistant Director, Forensic System of Care

---

I am pleased to announce the appointment of Yesenia Lott as Assistant Director of Outpatient Services for the Forensic, Diversion, and Re-entry System of Care.

Yesenia is joining the Forensic System after serving as the Interim Division Director for ACBHD's Crisis Services System of Care. Yesenia brings over 15 years of experience working with justice involved behavioral health clients and has had a tremendous impact on reshaping the work of our Crisis System. Yesenia's started in her new role on September 16, 2024.

A native of Orange County, Yesenia earned her B.A. in Social Work and Psychology from the University of California, Berkeley in 2004. She furthered her education with an M.S.W. from California State University, East Bay in 2006. Before joining Alameda County in 2009, she made significant contributions as a case manager with the Oakland Unified School District, where she supported children and families.

In her new role, Yesenia will direct our outpatient services including our contracted providers (AB109, reentry treatment teams, forensic FSPs, etc.), our CONREP program, and our Court programs (Behavioral Health Court, DSH Diversion, AOT, and CARE Court).

Outside of her professional life, Yesenia enjoys exploring regional parks in the East Bay with her family and dogs, planning new adventures, and sampling diverse cuisines. Her dedication to both her work and personal interests reflect her commitment to making a positive impact in all aspects of her life.

Please join me in congratulating Yesenia in her new leadership role and this exciting new professional chapter!
