

Tobacco 101 and Tobacco Use Disparities

Friday, February 2nd, 2024, 12 pm – 1pm PST

Description: This 1-hour training provides an introduction to tobacco use and basic treatment possibilities. It takes a deeper look into disparities that exist within tobacco use in California, and specifically Alameda County. Participants will also gain an understanding of how to integrate knowledge of health literacy and disparities in tobacco use and control with best practices into a standard delivery of care.

Who Should Attend: Administrative and/or Clinical Staff of Alameda County Behavioral Health (ACBH)-funded substance use treatment and mental health programs

Measurable Learning Objectives

- Describe three (3) ways people use tobacco products.
- Explain three (3) different best practices of treatment for tobacco use.
- Share one (1) way to implement health literacy practices in tobacco treatment.
- Describe one (1) way to use knowledge of health disparities in tobacco use and control in planning an effective treatment plan.

Registration required, Zoom link sent upon registration • **Register [online](#)**
