

Advancing Behavioral Health:
CLAS Standards, Social Determinants, & Protective Factors
Wednesday, April 16, 2025
10:30 a.m. – 12:30 p.m.

Course Description:

Building on the November 2024 "Introduction to CLAS" workshop, this interactive session explores the interconnection between CLAS Standards, social determinants of health, and protective/risk factors for behavioral health wellness.

This training will explore how the CLAS Standards address cultural and linguistic barriers to care, how social determinants shape individual conditions, and how understanding risk/protective factors empowers providers and individuals to reduce risks and improve protection. Participants will analyze real-world situations to develop effective strategies for addressing community needs and promoting wellness.

3 CEs, includes one-hour of preparatory reading and 2-hours of workshop time.
To fulfill an ACBH sponsored virtual training for both attendance completion and/or CE credit, attendees must achieve a score of at least 70% on the post-test
(This is a Free training)

Adèle James, MA, CPC

Brings an extensive knowledge in training on organizational equity, inclusion practices and implementation of assessments. She has served as an equity trainer for the California State Association of Counties Institute for Excellence in County Government and for Fresno County Department of Behavioral Health.
