

## Behavioral Health Department

Alameda County Health

### Welcome, Gloria Musto

#### Behavioral Health Clinical Supervisor

We are pleased to announce that Gloria Musto will be joining the Behavioral Leadership Health Team as a Behavioral Health Clinical Supervisor at the Guidance Clinic effective May 25<sup>th</sup>.

Gloria is a Licensed Clinical Social Worker and has been with the Alameda County Behavioral Health Department since January 2021 as a Behavioral Health Clinician at the Guidance Clinic providing mental health and crisis services to youth/TAY at the Juvenile Justice Center.

For the past 15 years Gloria has worked with under-resourced and often overlooked youth and TAY at various levels. Gloria's work with system impacted youth combines academic and work experiences in adolescent development, after-school programming, violence prevention, case management and community based mental health. Working from experience, adolescent development research and education, youth's strengths and evidenced-based practices, Gloria hopes to continue building on creating sustainable practices that can address the wellbeing of youth with complex needs.

During her four years at the Guidance Clinic, she has shown commitment and passion for working with system impacted youth and making mental health accessible. She is now taking a natural next step in joining a leadership role to continue building on the work already started. As she transitions into her new position, she hopes to continue working closely within the current interdisciplinary team to support in maintaining a system of mental health support and care for youth currently at the Juvenile Justice Center.

Gloria is a Bay Area native, born and raised in San Francisco with Salvadorian and Indigenous roots. She enjoys all kinds of music, taking up different kinds of arts and DIY projects at home. Will often look for creative outlets, whether its poetry, painting, sewing, or crafting to name a few.

Please join me in congratulating Gloria on her new leadership role and this exciting new professional chapter!
