

Developing Tools for Providing Telemental Health Services to Clients

With Rachel Michaelsen, LCSW | Friday, March 14th

A FREE training presented by Alameda County Behavioral Health and A Better Way

Course Objectives

- 1.) Describe four important elements in obtaining informed consent for telemental health services.
- 2.) List two pros and two cons of providing telemental health services.
- 3.) Explain at least two ways to maintain confidentiality when engaging in telemental health services.
- 4.) Identify four important elements in handling suicidal when providing services via telemental health.

As online mental health treatment becomes part of many providers service provision, it is important that they are aware of the legal and ethical issues related to telemental health. In this class participants will learn:

- 1) California Telehealth legal codes and Telehealth professional codes of ethics including: informed consent, privacy, working with people out of state, preparing for crisis, and handling technology failure;
- 2) research on Telemental Health and
- 3) best practices when providing online mental services.

Audience: Alameda County Behavioral Health (ACBH) clinical staff and contracted CBO providers are welcome. Capacity is limited. Open until filled.

Rachel Michaelsen, LCSW, is a clinical social worker who has worked in HMOs, public agencies, and private practice as both a mental-health provider and a supervisor for over thirty years. She has taught courses in DSM-5, clinical supervision, law and ethics, childhood psychopathology, time management, vicarious traumatization and energy psychology at universities, conferences, and mental-health agencies. She has a private practice and was also the Chair of the Humanitarian Committee for the Association for Comprehensive Energy Psychology for 6 years.
