Subject: Bonita House Residential Program Closure

Alameda Count Behavioral Health Department (ACBHD) announces the closure of the Bonita House Inc. Co-Occurring Residential Treatment Program, effective September 30, 2026.

Bonita House, Inc. opened the residential program in 1971 and has been dedicated to serving persons with serious mental illness and substance use concerns for over 50 years. ACBHD would like to recognize the dedication and commitment Bonita House Inc. has shown in serving the residents of Alameda County who are often the most stigmatized individuals in our community.

Referrals and admissions to the program will halt immediately to provide an opportunity for those currently enrolled to finish their program and transition to other supports.

If anyone has any questions or concerns, please do not hesitate to reach out to Juliene Schrick: Juliene.Schrick@acgov.org or Kate Jones: Katherine.Jones@acgov.org

For screening and referrals, please contact ACBHD ACCESS Program: **1-800-491-9099**.
