Alameda County Behavioral Health Department Office of Health Equity presents

GRIEVING & HEALING GATHERING

A space to practice and be in Community

DETAILS

The Grieving & Healing Gathering is a collaborative, community-rooted space centered on collective care, cultural healing, and community voice.

Through workshops, our healers will lead us through storytelling, movement, and sound healing. We aim to honor grief, celebrate resilience, and co-create pathways to wellness for all—reflecting the vibrant diversity of Alameda County.
