

Behavioral Health Department

Alameda County Health

Welcome, Theresa Ip! Administrative Specialist II

Theresa Ip joined the Behavioral Health Plan Administration team on April 8, 2026, as an Administrative Specialist II and will report directly to Vanessa Baker, Deputy Director, Plan Administration.

Theresa graduated from the University of California, Santa Cruz. She began her career with Alameda County in 2022 as an Administrative Associate in the County Administrator's Office, Risk Management Unit, where she provided comprehensive administrative support across personnel, contracting, purchasing, and budgeting functions.

In 2025, Theresa transitioned into the role of Administrative Specialist II within the Behavioral Health Department, where she continues to support departmental operations and contributes to program efficiency.

Prior to joining Alameda County, Theresa worked at a nonprofit organization as a Program Coordinator following her graduation from college. In this role, she oversaw the day-to-day operations of programs, coordinated activities, and supported community initiatives.

Outside of work, Theresa enjoys spending time with her family and friends, especially with her 6-month-old daughter. She also loves traveling to new destinations and exploring trendy restaurants.

Theresa looks forward to bringing her vast knowledge and creativity into her new role, and looks forward to connecting with individuals within Behavioral Health to continue to support our community members.

Please join us in welcoming Theresa Ip to the Behavioral Health Department. ***Welcome to our Team, Theresa!***
