

Behavioral Health Department

Alameda County Health

Welcome, Sheena Seymour! Administrative Assistant

I am pleased to announce **Sheena Seymour** has joined the ACBHD Accounts Payable (AP) Fiscal Services Unit as our new **Administrative Assistant**.

Sheena officially joined the team on February 17, 2026, reporting to **Corey Brown, General Accounting Manager**. In her new role, she will support the daily business operations of the AP department via the purchasing of goods and services. She will also manage the AP inbox, acknowledge Yellow Supply Requests (YSR) and handle general inquiries from staff and vendors.

Sheena brings a diverse background to the team, having previously served as a Human Resources Manager for a small business in Pleasanton. Most recently, she supported the Alameda County Registrar of Voters (ROV) through three election cycles as part of the Temporary Assistant Pool (TAP). Her move into Fiscal Services is a natural fit, as she has held a deep interest in accounting since her college days.

Outside of the office, **Sheena** enjoys baking, reading (she's a major fan of the *A Court of Thorns and Roses* series), and relaxing at the beach.

Please join our team in giving **Sheena** a warm welcome to ACBHD!

Work Location
