

## ACBHCS' Mental Health (MH) Medi-Cal Lockout Grid

**Lockout Situations:** A "lockout" means that a service activity is not reimbursable through Medi-Cal because: the beneficiary resides in and/or receives mental health services in one of the settings listed below OR regulation provides a maximum allowable claimable time for a SMHS. (A staff may provide services within their scope of practice, but it would not be reimbursable.)
