RE: Revised Medi-Cal Included Diagnoses Lists and Crosswalk--**Inpatient**

On October 13, 2017, DHCS reissued the Inpatient Medi-Cal Included (aka "Covered") Diagnoses List—correcting errors in the previous Information Notice 17-004.

Attached, please find the resultant update to the ACBHCS Inpatient Medi-Cal Included Diagnoses (Numeric & Alpha) Lists with Cross-walk. Please be sure to use these ACBHCS Included Diagnoses Lists (more inclusive) for all Inpatient MH Services rather than the list issued by DHCS.

This list replaces all previously published Medi-Cal Included Inpatient Dx Lists and Crosswalks posted by ACBHCS.

Online Access:
- ACBHCS SMHS Inpatient Medi-Cal Inc. List Numeric by ICD-10 Code
- ACBHCS SMHS Inpatient Medi-Cal Inc. List Alpha by ICD-10 Code
