

- MEMORANDUM -

DATE: January 5, 2023

TO: Alameda County Behavioral Health (ACBH) Substance Use Disorder Services (SUD) Providers

FROM: Torfeh Rejali, Quality Assurance Administrator *Torfeh Rejali*
Brion Phipps, Clinical Review Specialist Supervisor *Brion Phipps*

SUBJECT: **Updates to Clinician's Gateway (CG) Templates – NEW Training and Roll out Dates**

The purpose of this memo is to announce changes to the training date and time and roll out of new SUD CG Templates.

Background

Per [ACBH memo 2022-45](#), in order to reduce documentation redundancy and comply with CalAIM requirements, a number of changes were made to SUD CG templates. These include the following:

- Diagnosis Form
- Assessment Full ASAM
- Assessment Full ASAM Update
- Assessment Full ASAM Adolescent
- Assessment Full ASAM Adolescent Update

New Training and Roll out Dates

A training to review these templates was originally scheduled for January 16, 2023, which is a Holiday. The training date has been changed to **January 18, 2023**.

To allow enough time for providers to train their staff on the above templates, the roll out of the templates has been postponed to **February 6, 2023**.

Please note the training details below:

Assessment Full ASAM Training
January 18, 2023, 10:00-11:00 AM

The link for this training is available on the [QA Training](#) page

This training will be recorded and posted on the QA Training page. Registration is not required.
