Subject: Transition from Citrix Access for SmartCare, Clinician's Gateway, Yellowfin and other Alameda County Resources

Date: July 11, 2025

Dear Community Partners,

AC Health will officially retire the Citrix application on August 4, 2025. Moving forward, all users will access AC Health applications (SmartCare, Clinician's Gateway, Yellowfin and other AC Health applications) using a county provided Microsoft security account using Multi-Factor Authentication (MFA). You will utilize new usernames and your existing password.

- All AC Health applications (currently accessed through Citrix) will be accessible via:

<https://myapplications.microsoft.com/>

Action Required:

Please instruct all of your staff that currently use Citrix to complete the AC Health MFA Registration Form by July 25, 2025, using the link below:

For questions or technical assistance, please contact the AC Health ONE Service Desk:

- Email: ACHSupport@acgov.org - Phone: (510) 817-0076

We appreciate your cooperation and commitment to a smooth and secure transition.

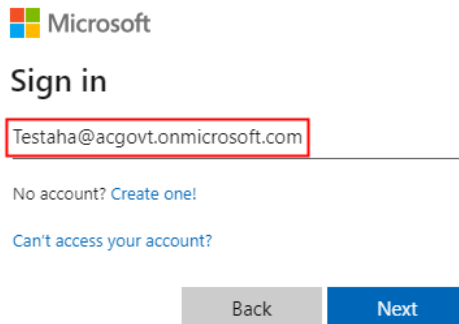

Sincerely,

AC Health Information Systems
