CARE COURT BROWN
BAG SESSION

The Health Equity Policy & Systems (HEPS) team will be hosting a Brown Bag Session on CARE Court. Our first session will feature the **CARE Court Program team via TEAMS**, who will share highlights, challenges and important updates on Care Court for all ACBHD team members. There will be a Q & A at the end of the session.

California's Community Assistance, Recovery, and Empowerment (CARE) Court is a 2022-enacted civil court process (launched 2023-2024) that connects individuals with untreated schizophrenia spectrum or other psychotic disorders to court-ordered, individualized treatment plans, housing, and support services.
