No Wrong Door and Standardized Screening & Transition Tools

Implementation Efforts:

ACBH is meeting monthly with the Managed Care Plans (Alameda Alliance, Anthem, Kaiser) to develop care coordination workflows:

- for sending and receiving the Screening and Transition tools
- to ensure an individual who is referred from one Plan to another is securely linked to the new provider in a timely manner
- to effectively serve beneficiaries who receive appropriate, nonduplicative treatment through a Managed Care Plan and through ACBH concurrently.

Next Steps:

- Implementation of a bidirectional data system to increase care coordination abilities and ensure individuals referred between Plans are connected in a timely manner.
- Trainings for providers on Screening and Transition Tools, increasing access for beneficiaries, and services for individuals with co-occurring mental health and substance use needs will be delivered in late Spring.
