

MEMORANDUM

Date: August 1, 2024
To: Alameda County Health, Behavioral Health Department (ACBHD) Opioid Treatment Program (OTP) Community-Based Organizations
From: Cecilia Serrano, Finance Director 
Vanessa Baker, Deputy Director, Plan Administrator
Subject: Fiscal Year 2024-25 OTP Rates

ACBHD continues to provide communication updates regarding our system's Opioid Treatment Program (OTP) Rates. Retroactively effective as of July 1, 2024, in alignment with the most recent guidance from DHCS for billing by CPT codes, ACBHD will be reimbursing the OTP programs utilizing the Fiscal Year (FY) 2024-25 Published OTP Rate Sheet (see Attachment A).

ACBHD completed a thorough analysis to establish the FY 2024-25 OTP rates and will continue to analyze systemwide finances and rates with CBO providers including approved updates to these published rates as we move into subsequent FYs. Your OTP Contract Rate Sheet already includes a footnote to ensure that updated ACBHD published rates, such as those in this communication, are automatically applied to your OTP contract without requiring a contract amendment.

For more information, please review the DHCS website at [MedCCC - Library \(ca.gov\)](https://www.cdph.ca.gov/Programs/OPA/Pages/N2024-0001.aspx) and related Behavioral Health Information Notices at [2024-BH-Information-Notices \(ca.gov\)](https://www.cdph.ca.gov/Programs/OPA/Pages/N2024-0001.aspx). If you should have any questions regarding the rates, please contact the assigned Fiscal Contract Manager. For cost report questions, please contact Mandy Chau, Audit and Cost Reporting Director at mandy.chau@acgov.org or (510) 639-1308.

As ACBHD continues to support CBOs in delivering essential services to clients in Alameda County, we appreciate our continued partnership.
