

CLINICAL DOCUMENTATION
Training for the
SHORT-TERM RESIDENTIAL
THERAPEUTIC PROGRAM (STRTP)

April 7, 2022 from 9:00 to 12:30

Two 15-minute breaks will not be counted toward CE time awarded.

Free - Held Virtually via GoToWebinar

Target Audience: Alameda County Behavioral Health (ACBH) contracted providers who provide Specialty Mental Health Services (SMHS) at Short-term Residential Therapeutic Programs (STRTPs). Provider QA leads, clinical supervisors, and clinical staff are all strongly recommended to attend.

Description: In accordance with the Department of Health Care Services (DHCS) Interim STRTP Regulations (Version 2), this training will address ACBH & Medi-Cal documentation standards for STRTPs, including mental health assessment, admission statement, treatment plan, progress note, and transition determination plan requirements. The training will also address recent changes under the Family First Prevention Services Act (FFSPA) as they pertain to STRTPs.

Trainer(s):

Monique Barnes-Bergfeld, LMFT, Clinical Review Specialist of Alameda County. Monique has 10+ years of experience working in mental health and children's services, with an emphasis on providing services to Medi-Cal eligible beneficiaries.

Danielle Pence LMFT, LPCC, Clinical Review Specialist, Alameda County. Danielle has worked in mental health, providing direct services to youth in foster care for many years. As Assistant Director and Interim Director of Quality Management at Alternative Family Services and most recently, Associate Director of Specialty Mental Health services for Asian Health Services, she provided clinical supervision and consultation on documentation, quality management and continuous quality improvement activities.

Learning Objectives: At the end of the training, participants will be able to:

1. Identify the eleven (11) required elements of a STRTP client chart.
2. Identify the sequence of documentation and timeliness expectations for the following clinical records/services: STRTP Mental Health Assessment and Emergency Placement Assessment, Admission Statement, CANS and PSC-35, Treatment Plan, Progress Notes, Medication Review, Clinical Review, and Transition Determination Plan.
3. Identify and describe the minimum required elements of the following: STRTP Mental Health Assessment and Emergency Placement Assessment, Admission Statement, Treatment Plan, SMHS Progress Notes and Daily Mental Health Notes, Medication Review, Clinical Review, and Transition Determination Plan.
4. Describe three (3) major changes as a result of the Family First Prevention Services Act (FFSPA) and how they impact STRTPs.
5. Define implicit bias and identify three (3) strategies for reducing it in the context of your work.
