Subject: Claiming for Outpatient Groups post July 1

The purpose of this memo is to reiterate InSyst claiming directions for outpatient groups given at the June 27th QA training.

Starting July 1, Alameda County will reimburse for documentation time associated with entering outpatient (ODF/OS/IOS) group service notes. This policy applies only for services rendered post July 1, 2018 and it applies to services under the transition contract as well as the DMC-ODS contracts.

In both the old system RUs and new DMC-ODS RUs, providers must include documentation time in the total group service minutes they are claiming in InSyst. If you have questions about this notice, or how to enter group time in InSyst, please contact the Help Desk.
